A major feature of the new website (www.walescottages.co.uk) is the facility to easily create your own web page by completing the on-line form and the easy up-load images facility. If you are not familiar with “cut & paste” techniques or image forwarding, then we will be happy to build your web page for you. Please tick the appropriate choice below.....

I will have a go myself **Please build it for me (£10 extra charge)**

(if you wish us to build it for you, we will take information from your own website, be sure to put your web address in the form above. Otherwise we will send you a form to complete your property features etc. The £10 surcharge is a one-off for the initial site-build, subsequent renewals will not reflect the extra £10)

It is necessary for you to choose a Username and password to be able to access your own web-page builder, if you have not already been sent one, please enter your preference below.....
